Church Chuckles

The Johnson family with their five-year-old daughter sat close to the front at church so little Annie could see the whole service. Since they were attending an Episcopal Church, on this particular Sunday the minister was baptizing a tiny infant.

Annie Johnson was quite taken with the ritual, especially when the minister poured water over the baby's head. With a quizzical look, the little girl turned to her father and with a loud voice asked, "Daddy, why are they brainwashing that baby?"
