Church Chuckles

At Twenty-third Avenue Christian Church, Charles Smith finished his Sunday School lesson. It was time for questions and answers. Up shot little Tony's hand.

"According to the Bible, Mr. Smith, the children of Israel crossed the Red Sea. Right?"

"Right."

"An' the children of Israel clobbered the Philistines, right?"

"That's right, Tony."

"An' the children of Israel built the temple an' was always doing something important, right?"

"All that's right, too," agreed Smith. "So what's your question?"

"What I want to know is this," demanded Tony. "What was all the grown-ups doin'?"
