Church Chuckles

Margaret and Fred Ziggler wanted a "truly Christian" dog, so they went to a kennel that specialized in that particular breed. There they found a dog they liked. When they asked him to fetch a Bible, he did it in a flash. When they instructed him to look up John 3:16, he turned right to it. "Oh, we'll take this pup, he's wonderful," said Fred and Margaret.

That night the Zigglers invited friends from their church over to meet the remarkable dog. The guests were impressed with Fido's ability to do Christian tricks, "Can he do regular dog tricks, too?" they asked. That stopped the Zigglers cold, they'd never even thought of that.

"Well," they said, "let's try this out." They clearly pronounced the command, "Heel!"

Quick as a wink, the dog jumped up, put his paw on Ziggler's forehead, closed his eyes in concentration, and bowed his head.
