September Newsletter 2021
Second Baptist Church
Washington, NC

“Fast forward to September 2020; I do not know if this is a disease that is part of our inheritance after the Garden of Eden or that God has sent this virus as a warning, or if it even may be evidence of the beginning of the “end times” described in the Bible, but just like the Ark it is real. We may not understand it, we may not know why we are dealing with it, we may not know what it means or we may not know how it will affect our future, but we do know it exists.”

This is an excerpt from the September Newsletter one year ago. Wow! One whole year has gone by and we are still dealing with the shocks and aftershocks of Covid-19; but this September finds us in a much better position as a church than one year ago. We are:

- 1. growing in spirit and in number
- 2. our offerings are growing
- 3. our mission’s efforts are growing
- 4. our church committees are functioning
- 5. our music ministry is inspiring
- 6. And we are on the verge of a complete resurgence in all our ministries. Thank you, Lord.

As we enter the new Sunday School year, we are hoping to open some new classes. The focus will be on starting classes for children/youth and an adult couple’s class. Pray for students and leadership in these areas.

During the month of September, we will begin a study on the Second Coming in our Midweek Discipleship Service. Can’t wait to see you there!

Come on out and join us at Second Baptist for an exciting time and meaningful experiences with the Lord and one another.
