Hebrews 12:28-29

28. Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe, 29. for our “God is a consuming fire.”

As we approach the Holiday Season this November, there is much out there that shakes us. The news and social media are overflowing with warnings and bad news. Vaccines are working or not working, rising prices, shortages at the supermarket and a shortage of Christmas presents.

If we aren't careful, it is easy to be shaken by all of this going on around us. But the writer of Hebrews had a different message to us and for us to share with the world. As members of the Kingdom of God, we are above all of this negativity. As far as the Kingdom is concerned, everything is going as predicted, and there is victory in sight. And now is the time to give thanks and worship the King.

We do worship and give thanks to an Awesome God who provided for us, is providing for us and will provide for us. We share this with our brothers and sisters in Christ, and with a floundering world searching for truth.

Give Thanks, Second Baptist Church.

Garry Mickey
