August 2022

As I sit down for this newsletter, the Pastor Search Committee is ready to present to the church a call to a man who feels called to the Pastorate of Second Baptist Church. He represents the 14th full-time pastor of the church since its founding in 1952. Fourteen pastors in 70 years is not a bad record, making the average stay for a pastor as 5 years. That is a number to be proud of and an encouragement to any prospective pastor.

As you look over the resume and reflect on this man, pray for him and his family. Pray for the leadership of the Holy Spirit as we vote as a church on the recommendation of our Pastor Search Committee. They have prayed and worked hard and long to represent you in seeking God's will and the calling of this man and his family to the pastorate of Second Baptist Church.

I am so very excited about this step forward in the ministry of our church not only as a preacher but as a member. It has been a long time coming, and God has given us many blessings as we have reached this point. We have grown in numbers and attendance, we have reestablished ministries; Sunday School, Missions, Choir, Nursing Home, we have maintained our facilities, and we have come together to fellowship at special programs and meals.

We are on a journey led by God. Let us continue to advance the Kingdom of God!

Blessings,
Garry Mickey
