### **Church Chuckle**

A little boy wanted a hundred dollars very much and prayed and prayed for two weeks, but nothing happened. Then he decided to write a letter to God requesting the hundred dollars.

When the post office received the letter addressed to "God, USA," they didn't know what to do with it, so they sent it to the president at the White House. The president was so impressed he instructed his secretary to send the little boy a five dollar bill. "That should look like a large sum of money to one so young."

The boy was delighted with the five dollars and immediately sat down to write a thank-you note to God, which read, "Dear God, thank you for sending me the money. However, I notice that for some reason you had it sent through Washington, D. C., and as usual, the government deducted ninety-five percent."
